OFFICIAL NOTICE OF SANITARY VIOLATION

Mr. Todd Steed
1825 South Blackman Road
Springfield, MO 65804

Dear Mr. Steed:

This department has received a complaint concerning surfacing sewage at property under your control at 2021 East Cinderella, Springfield, Missouri.

A representative of this office investigated the complaint on March 19, 1985 and found it to be justified. Chapter 30, Section 30-11 of the Springfield City Code states that "It shall be unlawful for any person to place, deposit, cause, or permit to be deposited, in any unsanitary manner upon public or private property within the City, any domestic waste, garbage, pollutant, or other objectionable waste."

Therefore, it is the direction of this office that the above facilities be repaired so as to eliminate all surfacing sewer effluent and all sewage deposited around the leak cleaned up and properly disposed of by March 27, 1985.

In order to prevent odor, please apply lime immediately to the area where the sewage is surfacing. If you have any questions concerning this matter, or if the City Health Department can be of assistance to you, please contact us at your convenience.

Your cooperation will be appreciated.

For David G. Snider, Director of Public Works

Very truly yours,
